

# K-8<sup>th</sup> Summer Reading & Math

Studies show that students can lose up to 2 months of learning during the summer break. We want to strive for excellence in all things to include the summer months when our students are not at school. We do however, understand that the summer months are also meant for mental breaks, family time, exploring the great outdoors, and hands on learning. These are all important aspects of a well-rounded student.

## **Reading:**

Students can read and must log minutes read on the calendar provided. When a student gets half way through their reading minutes, they can stop by the school office with their calendar to get a prize! Students who turn in a completed reading log (provided calendar) will receive a prize the second week of school.

Here are some ideas to get in your reading minutes this summer:

- Read the Bible
- Read an E-Book
- Read a comic book
- Read a recipe
- Read poetry
- Read a “how-to” book
- Read a joke book
- Read a chapter book
- Read a play
- Read close captioning
- Read a magazine
- Read song lyrics
- Read using a flashlight
- Read to a parent, sibling, grandparent, or stuffed animal
- Read outside

You have all summer to reach for these goals.

### **Minutes per grade needed over the course of the entire summer:**

Kindergarten going into 1<sup>st</sup>: 200 minutes

1<sup>st</sup> going into 2<sup>nd</sup>: 300 minutes

2<sup>nd</sup> going into 3<sup>rd</sup>: 400 minutes

3<sup>rd</sup> going into 4<sup>th</sup>: 400 minutes

4<sup>th</sup> going into 5<sup>th</sup>: 500 minutes
