**TUITION PLANS:**

Helena Christian School offers multiple tuition payment plans, one of which will meet the needs of your family. For those who wish to pay monthly, semi-annually, or one time, we are pleased to offer FACTS Tuition Payment Plans through FACTS tuition management.

**Financial Assistance:**

Due to the complexity of each applicant's financial picture, there is not a defined income level that guarantees a tuition assistance award. Factors such as family size, debt, income, assets and other expenses are viewed when determining the tuition reduction for each family. In order for the Tuition Assistance Committee to review financial assistance, an application needs to be submitted prior to reviewing.
